### CAMPERVAN / CARAVAN AREA

**N.B: A CLEAR SEPARATION DISTANCE OF 3 METERS IS TO BE KEPT BETWEEN ALL CARAVANS / CAMPERVANS.**

Purchasing a Campervan/Caravan ticket constitutes your acceptance of these Terms and Conditions. These Terms and Conditions between you and EP Republic Ltd are incorporated into and should be read together with the Electric Picnic Terms and Conditions of Entry.

As part of our terms and conditions we do not permit makeshift campervans/caravans on site at our events. Many won't have sufficient ventilation, water or door separation, and the risk from the gas and fire is an obvious one. Campervans or caravans not meeting this criterion may be refused entry.

Definition of a Campervan / Caravan:

- There must be a door that provides access to the living accommodation.
- A bed, which is an integral part of the living quarters which has a minimum length of 1800mm or 6 feet. This can be converted at night from seats used for other purposes during the day but must be permanently fixed within the body of the vehicle.
- There must be a water storage tank or container on or in the vehicle.
- A seating and dining area permanently attached to the vehicle. The table may be detachable but must have some permanent means of attachment to the vehicle. It's not good enough to have a loose table.
- There must be a permanently fixed means of storage, a cupboard, locker or wardrobe.
- There must be at least one window on the side of the accommodation.

Please note the following: -

- Unsuitable vehicles, including unconverted vans, with campervan / caravan tickets will not be allowed entry and will be sent to one of the festival car parks. Security patrols will not permit sleeping in any vehicles in these car parks.
- Trailer tents are permitted; however, a Campervan/Caravan Ticket must be purchased.
- There is NO water or electricity hook up available. There will be a water point and waste tank in the campsite for general use.
- All wastewater (grey waste) must be put in the containers provided. It is illegal to pour wastewater onto the ground, into a sump or into a stream.
- Campervan/Caravan ticket holders must use the toilets provided in the campsite and not pollute streams or hedges.
